

名前 _____ 日付 _____ / _____

QUESTION

Please read the article below and summarize it in English between 45 and 55 words.

以下の記事を読み、45～55語の英語で要約してください。

READING

Work arrangements have changed as companies look for better ways to support their employees. Some businesses are reviewing how many days people should work each week. Today, more companies are introducing a three-day weekend.

What are some benefits of a three-day weekend? Employees can spend more time with their families, hobbies, or personal responsibilities. This may improve their work-life balance. Furthermore, having more time to rest may help employees work more efficiently. They may return to work with more energy and focus.

On the other hand, a three-day weekend also has some disadvantages. Some employees may earn less money if their total working hours are reduced. This can make it harder for them to cover regular living costs. Another drawback is that employees may need to work longer hours each day. Longer workdays may cause tiredness and leave less free time on working days during the week.

要約は2ページ目に書きます。記事の和訳は載せていません（読む練習のため）。答え合わせはQRから。
